The Compassionate Friends offers a variety of private Facebook Groups. These pages are moderated by bereaved parents, siblings, or grandparents, and may not be accessed unless a request to join is approved by a moderator. Please click on the link next to the group you wish to join and answer the screening questions so we can confirm your request. If you are waiting approval, please message one of the administrators. Join requests to our Facebook groups must be requested personally, therefore when you wish to share the group with someone please pass along the link to the group.
